Background

- A. _____ is a teacher at _____ State High School / College.
- B. In 2018 Wet Paper created a power point series listed in Schedule 1 for the 2019 Queensland Marine Science syllabus. The two finished power points were then converted to matching pdf files and made available as study guides on the wet paper web site.
- C. The school has requested a revocable, non-exclusive, non-transferable licence to modify the power points in Schedule 1, for use by marine science classes school community as well as matching study guide keys to read the power points on line.

It is agreed

1. Licence period

1 January 2019 – continuous

2. Grant of licence

- 2.1 The publisher grants to the school a revocable, non-exclusive, non-transferable right and licence to modify for classroom use the power points listed in Schedule 1 for the sole purpose of creating further power point presentations, exercises, lab and field work lesson notes within the school. The publisher also grants to the school one year of complimentary web page access keys to the study guides detailed in Schedule 1.
- 2.2 The title to, and intellectual property in these online resources rests with the publisher's author, illustrators, photographers and design consultants and nothing in the Agreement should be construed as transferring those rights to the school.
- 2.3 Payment for this licence shall not constitute ownership.
- 2.4 This agreement is conditional on the school purchasing power points at the rates as outlined in Section 4 below, for the term of this agreement for use exclusively within the school community based on the number of students indicated in Schedule 2.

3. Warranty

- 3.1 The school warrants to the author and the publisher that they will not distribute, provide or on-sell either image or text metadata or any reproductions of the author's resources listed in Schedule 1 to any other school, organisation or person outside the school community.

4. Payment

- 4.1 To secure this agreement EFT payment shall be for a minimum of 12 students and maximum of 60 students on the 2019 enrolment numbers supplied by the school x \$60 as listed in Schedule 2.
- 4.2 Payment shall be by EFT from a tax invoice generated by the publisher.
